Product Properties

COLOR: White Powder

ODOR: Mild

pH: 1

SOLUBILITY IN WATER: 13.7% solution at 77°F

FOAMING: None

Description

This powdered brightener/reclaimer removes detergent residue and mineral buildups while neutralizing the alkalinity normally encountered in laundry. This product is a component of an amazing two-step "reclaim" process to remove buildups and unremoved stains from linens. Used in conjunction with the builder product in the reclaim system, it helps get unusable "reject" linen back into use, thus stretching the laundry budget. It also "blues" whites enhancing their brightness and removes unsightly stains caused by iron and rust deposits.

Features...Benefits

- Removes Detergent Residue
- Removes Iron and Rust Deposits
- Enhances Brightness
- Neutralizes Alkalinity

Directions For Use

Wear goggles and gloves when handling.

FOR GENERAL USE: To make Use Dilution, mix 12 oz. (1 1/2 cups) of this product in one gallon of warm water. Use 2 to 6 ounces of diluted product in a 50 pound machine as required. Rinse well. Use only in the first rinse.

FOR RECLAIM FORMULA: Add 4 cups of this product to a 50 pound machine following a minimum of 1 rinse after using RECLAIM PART A in wash cycle. Wash for 6 to 8 minutes. Rinse well at least twice after completion of whitener/sour step.

Safety Information

KEEP OUT OF REACH OF CHILDREN
DANGER • POISON. Corrosive. Causes burns to skin and eyes. Contains sodium silicates and alkaline detergent builders. Avoid contact with skin and eyes. In case of contact immediately flush with plenty of water. Flush skin with vinegar. For eyes flush with water for 15 minutes. Get medical attention.
