

LAUNDRY BUILDER/RECLAIMER

reclaim part A™

Description

This product is a component of an amazing two-step "reclaim" process to remove buildups and unremoved stains from linens. It powers away these soils and gets unusable "reject" linen into use, thus stretching the laundry budget. It is designed to be used in conjunction with a special brightener/sour which completes the "reclaim" operation.

Features...Benefits

- Effective-Removes Built-up Soils
- Removes Grease, Fat, Oils and Food Stains
- Gets "Reject" Linen Back in Service
