

PREMIUM POWDERED LAUNDRY DETERGENT

plp™

Description

This premium blend of phosphates, surfactants, water softening agents and optical brighteners make this the efficient and economical powdered detergent to use. It is highly effective and formulated for general laundry, as well as multi-component laundry systems. This free-flowing, easily dispersible formula produces exceptional results in all water conditions and is safe for all fabric types.

Features...Benefits

- Exceptional Results in All Water Conditions
- Disperses Easily
- Safe for All Fabrics
- Free Flowing
- Compatible With Other Laundry Products
- Versatile - Use Alone or In Multi-Component Systems

Directions For Use

GENERAL LAUNDRY: Use only 1/4 cup (2 oz.) in standard machines. Use up to 1/3 cup (3 oz.) for large capacity machines, extra-large or heavily soiled loads. **DO NOT OVERUSE.** If desired, add oxygen or chlorine bleach about 5 minutes after the wash cycle begins. **IMPORTANT! DO NOT OVERUSE BLEACH.** Overuse of bleach is a common laundry mistake causing yellowing/greying of fabric, undesirable colors and reduced garment life.

COMMERCIAL MACHINES require 12 to 24 oz. per 100 lbs. of laundry depending upon soil conditions. Follow instructions on your Laundry Procedures and Drying Guidelines posters. Consult your Service Representative for additional application information.
