## Description

This concentrated, water soluble deodorant combines a great, fresh clean scent with effective odor elimination. It changes the chemical/mechanical structure of the odor causing molecules to truly "neutralize" malodors. Squirt it directly on all odor problems on carpets, linens, in waste baskets, closets - exactly where it is needed. Use full strength or in dilution.

## Features...Benefits

- Concentrated .....Economical
- Pleasant Fragrance .....Pleasant to Use
- Non Staining .....Protects Facility Investment
- Works Instantly .....Labor Saving
- Versatile .....Ease of Use

## Directions For Use

Surface Deodorizing: Spray product directly on source of odor at a dilution ranging from 2 oz./gallon to full strength, depending on odor conditions.

Use in mop water and auto scrubbers at 1-2 oz./gallon.
