

HEAVY DUTY NON-BUTYL DEGREASER

dyna-mite™

Description

This heavy-duty degreaser works by emulsification to tackle tough cleaning applications ordinarily requiring solvent-type products. Combining alkaline detergents, emulsifiers and penetrants, it lifts greasy soils from surfaces and holds them in suspension for improved results. Concentrated and versatile, this product can be diluted with water to meet a wide variety of cleaning tasks.

Features...Benefits

- ConcentratedEconomical
- Non-ButylSafer to Use
- Non-FumingPleasant to Use
- Non-FlammableSafer to Use
- Holds Greasy Soils in Suspension ...Labor Saving

Directions For Use

Commercial and Food Establishment Use: Dilute at 1 to 4 ounces per gallon of water. Spray, brush or mop on. Rinse or wipe off. Always rinse food contact surfaces with potable water after cleaning.

Heavy Duty Industrial Use: Dilute at 1 to 12 ounces per gallon of water. Spray, brush or mop on. Allow to penetrate soils. Agitate if necessary. Rinse or wipe off.

Pressure Sprayer: Dilute 2 to 8 ounces per gallon. Spray on surface. Allow to penetrate soils. Rinse.

Safety Information

KEEP OUT OF REACH OF CHILDREN

CAUTION: May cause irritation to skin or eyes. In case of contact with eyes, flush with plenty of water. If irritation persists, see a physician. In case of contact with skin, flush with plenty of water.
