Description

This concentrated liquid laundry softener is used in the rinse phase of institutional laundry to restore pH balance to linens. Its functions also include reduction of wrinkling, brightening linens and improved drying time. Providing a "springtime fresh" scent for properly cleaned linens, this product also reduces "static" for cling-free linens.

Features...Benefits

- Reduces WrinklingLabor Saving
- Fresh ScentPleasant to Use
- Restores pH Balance
.Reduces Risk of Irritation
- ConcentratedEconomical
- Speeds Drying TimeEnergy Saving

Directions For Use
