

# STAINLESS STEEL CLEANER POLISH

s.s.p.<sup>TM</sup>

## Description

This stainless steel cleaner and polish maintains a bright, clean finish on equipment in kitchens, laboratories, offices, restaurants and other institutional applications. It is excellent for use in elevators and on architectural steel. Labor saving "one-step" formula shines as it cleans, leaving a soil resistant coating that makes future clean ups an easy task. Pleasant lemon fragrance.

## Features...Benefits

- Ready to Use ..... Convenient
- "One-Step" Formula ..... Labor Saving
- Safe on Metal Surfaces .....  
..... Protects Facility Investment
- Resists Resoiling ..... Labor Saving
- Pleasant Fragrance ..... Pleasant to Use

## Directions For Use

Shake before use to insure best results. Spray sparingly over surface to be polished. Can also be applied by cloth. Wipe clean with a damp cloth. Heavily soiled surface may require repeat application or "dwell time" of up to a minute on the surface before wiping. Polish to a bright finish with a clean, dry cloth.

## Product Properties
