

CONCENTRATED LIQUID LAUNDRY BREAK

power break™

Description

This highly concentrated builder/break is specially formulated for use in multi-component automatic laundry systems. It breaks the physical "soil to fabric bond", makes soil water soluble, softens water for increased penetration and improves detergent performance while it upgrades detergent efficiency, thereby reducing the amount of detergent needed. It is effective in the widest range of temperatures and water hardnesses. Provides corrosion protection for machines.

Features...Benefits

- ConcentratedEconomical
- Improves Detergent Performance . .Labor Saving
- Makes Soils SolubleLabor Saving
- Buffered FormulaSaves Linen Costs
- Hard Water Tolerant . . .Improved Performance

Directions For Use

Place dispenser pickup tube in container. Product will be automatically injected during the wash cycle. Follow instructions on your Laundry Procedures and Drying Guidelines posters. Consult your Service Representative for additional application information.

Safety Information

KEEP OUT OF REACH OF CHILDREN

DANGER • POISON: Causes severe burns to eyes and skin. Harmful or fatal if swallowed. Avoid contact with eyes and skin. Do not take internally. In case of contact with eyes, flush with water for 15 minutes. Seek immediate medical attention. In case of contact with skin, flush with plenty of water, then vinegar, if available. Seek medical attention. If swallowed, drink plenty of water, orange juice or lemon juice. Follow with milk. Get immediate medical attention.
