

PROTEIN SPOT REMOVER

interspotter™

Description

This advanced formula is a synergistic blend of ingredients that effectively remove difficult spots and stains from carpets, fabrics, upholstery and laundry. It contains no chlorinated solvents and is safe, easy and pleasant to use. A special deodorizer neutralizes odors from stains such as pet stains, vomit and food stains. Removes iodine-complex stains like magic!

Features...Benefits

- Ready-to-Use Convenient
- Versatile Easy to Use
- Pleasant Fragrance Pleasant to Use
- Contains No Chlorinated Solvents Improved User Safety
- Removes a Variety of Spots and Stains Improves Cleaning Process Results

Directions For Use

FOR CARPETS AND UPHOLSTERY: Apply spotter to stain full strength using enough to completely saturate affected area. Work in spotter lightly with a towel or small brush - do not scrub or agitate vigorously - then blot up stain and spotter with a towel or sponge. Stubborn stains may require a second application using the same procedure.

FOR LAUNDRY: Apply spotter full strength to affected area until stain is completely saturated. Wait a few minutes, then launder. Do not allow spotter to dry on fabric.

Product Properties

COLOR: Clear
ODOR: Mild
VISCOSITY: 10 cps
pH: 12.0
SPECIFIC GRAVITY: 1.005
DETERGENCY: Excellent
SOLUBILITY IN WATER: Complete

Safety Information

KEEP OUT OF REACH OF CHILDREN
CAUTION: May cause eye or skin irritation. Do not take internally. In case of contact with eyes or skin, flush with plenty of water for 15 minutes. Seek medical attention if irritation persists. If swallowed, drink plenty of water or milk to dilute material and seek prompt medical attention.
