Product Properties

COLOR: Off White Solid
ODOR: Mild Detergent
pH (1%): 13
HARD WATER TOLERANCE: Very Good
FOAMING: None
DETERGENCY: Excellent

Description

This strong, solid detergent removes food soils quickly, while providing reserve cleaning capacity to handle stubborn soils. Built to handle the most challenging water conditions, it delivers sparkling clean results on china, glassware, stainless ware and other materials. Dissolves uniformly to minimize "overshoot" and maximize efficiency and economy. This product contains no phosphates and provides a more positive environmental profile.

Features...Benefits
