

# Pro-Con aqua™

## DISINFECTANT RESTROOM CLEANER

### Description

This disinfectant restroom cleaner is delivered ready-to-use from your Pro-Con Dispenser. It contains a blend of mild phosphoric acid and chelating agents to attack soap scum and hard water deposits in restrooms, showers, etc. "One-step" formula saves labor by cleaning, deodorizing and disinfecting simultaneously. Kills HIV-1 (the AIDS virus).

### Features...Benefits

- Concentrated .....Economical
- One-Step Product .....Labor Saving
- Removes Hard Water Deposits .....Labor Saving
- Controls Mold & Mildew .....Improved Sanitation Perception
- Highly Effective .....Reduces Risk of Infections

### Directions For Use

Apply by cloth, mop, sponge, spray or soak. Treated surfaces must remain wet for 10 minutes.  
MOLD & MILDEW: Apply as above and allow to air dry. Repeat weekly or when growth or odors reappear.

### Safety Information
