

# Pro-Con brown

## SOAP SCUM REMOVER

### Description

This concentrated soap scum remover is dispensed ready to use from your Pro-Con dispenser. It is designed specifically for removing soap scum and hard water films without exposing users to the risks of acid products. This non-scrub formula chemically combines with buildups to allow fast, effective removal. Non-acid formula is non-damaging to fixtures.

### Features...Benefits

- Concentrated .....Economical
- Non-Acid .....Reduces User Risk
- Non-Scrub Formula .....Labor Saving
- Fast Acting .....Labor Saving
- Non-Damaging to Fixtures .....Protects Facility Assets

### Directions For Use

Apply by spray or foamer. Allow solution to remain on surface for 5-10 minutes. Extreme buildups may require agitation with a brush. Rinse surface thoroughly.

### Safety Information

**KEEP OUT OF REACH OF CHILDREN**  
**DANGER.** Do not get in eyes, on skin, or on clothing. Do not take internally. In case of contact with skin, flush area with plenty of water. Seek medical attention if irritation persists.
