

Pro-Con emerald 3

DISINFECTANT/CLEANER

Description

Delivered ready-to-use from your Pro-Con dispenser, this hospital grade, one-step disinfectant is effective against a broad spectrum of bacteria and viruses, including MRSA, VISA VRE and Clostridium difficile. It is also effective against a number of viruses, including HIV-1, HIV-2, Hepatitis B, Hepatitis C and SARS associated Coronavirus. Its neutral pH cleaning action removes soils without attacking polymer floor finishes. Labor saving, no-rinse formula leaves a light, fresh "hospital clean" fragrance.

This product is part of the Pro-Con Systems line of color and shape coded ultra concentrates. It is intended for use with Pro-Con Dispensing Units which maximize its effectiveness and economy. Consult your Sales Representative for information on your specific application.

Directions For Use

Remove heavy soil deposits from surface. Then thoroughly wet surface with the solution applied with a cloth, mop, sponge, coarse spray, or soaking. Let solution remain on surface for a minimum of 10 minutes. Rinse or allow to air dry. Rinsing of floors is not necessary unless they are to be waxed or polished. Prepare a fresh solution daily or more often if the solution becomes visibly dirty or diluted.

Product Properties

COLOR: Clear Green
ODOR: Fresh Floral
VISCOSITY: 25 cps
pH: 6-7
SOLUBILITY IN WATER: Complete
DETERGENCY: Excellent
FOAMING: Low to Moderate
ACTIVE AGENT: Quaternary Ammonium
AVAILABLE IN: ULTRAPAC (3x2 L)
HANDI-KEG (1x2.5 GAL.)

- EPA Registered
