

Pro-Con power foam plus™

MEATROOM CLEANER

This product is part of the Pro-Con Systems line of color and shape coded ultra concentrates. It is intended for use with Pro-Con Dispensing Units which maximize its effectiveness and economy. Consult your Sales Representative for information on your specific application.

Product Properties

COLOR: Clear, Light Amber
ODOR: Mild Detergent
pH: 13
FLASH POINT: None
SOLUBILITY IN WATER: Complete
DETERGENCY: Excellent
RINSABILITY: Excellent
AVAILABLE IN: HANDI-KEG (1x2.5 GAL.)

■ USDA AUTHORIZED A1

Description

This super effective, foaming meatroom cleaner quickly dissolves and emulsifies food soils from walls, floors and processing equipment. As the main component in a 3-step process for cleaning and sanitizing meatroom and food preparation areas, it is free-rinsing, non-flammable, and corrosion inhibited for use on ferrous metals. The environmentally responsible formula contains no phosphates and is biodegradable.

Features...Benefits

- Concentrated.....Economical
- Free Rinsing.....Labor Saving
- Corrosion Inhibited.....Protects Equipment
- Clings to Dissolve Soils.....Labor Saving
- Non-Caustic.....Improved User Safety

Directions For Use

FOAM APPLICATION: Apply hot foam liberally to all washable surfaces including floors, walls, tables, equipment, etc. Allow foam to cling to surface for 5 minutes. Scrub with brush or cloth if necessary. Rinse completely using hot potable water. Let surfaces drain, tilting movable surfaces to aid water run-off. Do not wipe dry. Food contact surfaces are to be rinsed with potable water and sanitized after use of this product.

TO SOAK-CLEAN FILTERS, UTENSILS, ETC: Deliver diluted product to soak tank or other vessel from dispensing unit. Soak to penetrate built-up soils. Use brush or sponge as necessary. Rinse completely. Sanitize according to sanitizer package directions. Let air dry. Food contact surfaces are to be rinsed with potable water and sanitized after use of this product.

Safety Information

KEEP OUT OF REACH OF CHILDREN
WARNING: Eye irritant. Skin irritant. Harmful if swallowed. Avoid contact with eyes. Avoid contact with skin. Wear suitable gloves and eye/face protection. Wear rubber boots and apron. Keep container sealed when not in use.
