## Description

This concentrated, all purpose cleaner is dispensed ready-to-use from your Pro-Con dispenser. It can be used on any water washable surface, thus eliminating the use of several products. This effective product performs in the hardest water conditions without leaving a film, even at low temperatures. This power packed formula is non-toxic, non-corrosive, non-flammable and biodegradable.

## Features...Benefits

- Concentrated .....Economical
- Works in Hot or Cold Water .....Energy Saving
- Versatile .....Ease of Use
- Film Free .....Labor Saving
- Pleasant Fragrance .....Pleasant to Use

## Directions For Use

ALL WASHABLE HARD SURFACES: Apply by spray, cloth or mop. Agitate with cloth or brush if necessary. Wipe away soils and repeat if necessary.  
FLOORS- Manual Use: Mop solution onto floor surface and pick up soils and cleaner in one operation. Rewet and wring out mop frequently. Let floor dry before allowing traffic.  
FLOOR- Autoscrubbing: Fill tank and follow machine manufacturer's directions for single pass or double pass cleaning, depending on soil conditions. Allow to dry before allowing traffic.

## Safety Information

KEEP OUT OF REACH OF CHILDREN  
CAUTION. CONTAINS ALKALINE DETERGENTS. May cause eye and/or skin irritation. Avoid contact with skin and eyes. In case of contact, flush with plenty of running water. If irritation persists, seek medical attention.
