DESCRIPTION

M-800 Manual Pot & Pan Detergent is a concentrated product offering the optimum balance of value and performance. This concentrated synthetic detergent is formulated to remove the most tenacious soils quickly and effectively. Developing rich, stable suds, even in the presence of heavy soil, it quickly emulsifies, suspends and removes grease, soils, proteins and other debris from pots, pans, dishes and utensils. Rinses clean without spotting.

FEATURES...BENEFITS

- ConcentratedEconomical
- Cuts Grease FastLabor Saving
- Multi-PurposeEasy to Use
- Suspends SoilsImproves Results
- Free RinsingLabor Saving

DIRECTIONS FOR USE

Add 1/2 to 1-1/2 ounces of product per gallon of warm water. Amount of detergent needed will vary in accordance with the number of utensils to be washed and the degree of soil present. After dishes and utensils are clean, they should be thoroughly rinsed with warm tap water. Follow sanitizing procedures set up by your facility.

SAFETY INFORMATION

KEEP OUT OF REACH OF CHILDREN
CAUTION: May cause eye or skin irritation. In case of contact, flush for 15 minutes with flowing water. Get medical attention if irritation persists.
